<p><b>TERINDAH ESTATE BLANC DE BLANC 2018</b></p> <p>100% Chardonnay</p>	<p>In the glass this wine exhibits a wonderful pale straw colour. Instantly tasting the bouquet of jersey caramels, brioche and spice. The mousse is fine, and the bubble is persistent, front palate lemon flavours combine with almond kernel characters to give a savoury edge to this wine.</p>	<p><b>CHARDONNAY 2020</b></p> <p>Estate grown 100% Chardonnay 13.0 % Alc/Vol.</p>	<p>Straw in colour this wine was fermented in French oak hogs heads using indigenous yeast. Caramelised almond notes pair with guava giving an inviting first impression. Background buttery characters are indicative of a partial malolactic fermentation and a slight throw back to chardonnay's of another time. The palate is zesty lemon with apple custard and a clean line of acidity.</p>	<p><b>PINOT NOIR 2019</b></p> <p>Estate grown 100% Pinot Noir 13.5 % Alc/Vol.</p>	<p>The intense ruby colour in the glass is a great precursor to an intense and aromatic Pinot Noir displaying aromas of ripe raspberries and cherries, mocha, and lavender like florals. The palate is poised and powerful with weighty red fruits strung against the finger-like tannins and racy acidity.</p>
<p><b>PINOT GRIGIO 2021</b></p> <p>Estate grown 100% Pinot Gris 11.5 % Alc/Vol.</p>	<p>The nose shows cantaloupe and white peach characters with a background of sherbert and honey-suckle blossom. The palate is lush and smooth, evidence of lees work with a nice weight considering the bright lemon citrus flavours present.</p>	<p><b>ROSÉ 2021</b></p> <p>Estate grown 100% Pinot Noir 11.5 % Alc/Vol.</p>	<p>Visually striking; light watermelon flesh in colour from minimal skin contact Pinot Noir Rose. Pink carnations, pomegranate, and nectarine blush highlight the bouquet which then dominate the fine-boned palate. Refreshing acidity ties together everything nicely.</p>	<p><b>ZINFANDEL 2019</b></p> <p>Estate grown 100% Zinfandel 16.0 % Alc/Vol.</p>	<p>Ruby red in colour, this Zinfandel has aromas of cassis and blueberry pie alongside savoury notes of mocha, tobacco and leather. Bright natural acidity on the front palate enhances red berry flavours and subtleties of chocolate and spice. Soft caramel lingers on the back palate along with French and American oak. Elegant and fine young tannin, as well as its acidity will provide longevity and drinking pleasure for years to come.</p>
<p><b>PINOT GRIS 2021</b></p> <p>Estate grown 100% Pinot Gris 12.2 % Alc/Vol.</p>	<p>Very light straw in colour with a bronze hue, this Pinot Gris shows notes of orange blossom and honeydew with hints of toasted nougat. The front palate shows bright and lively soft lime while subtle oak lingers on the mid palate. A slight level of residual sugar balances the finish wonderfully.</p>	<p><b>PINOT NOIR 2019</b></p> <p>Estate grown 100% Pinot Noir 13.5 % Alc/Vol.</p>	<p>The intense ruby colour in the glass is a great precursor to an intense and aromatic Pinot Noir displaying aromas of ripe raspberries and cherries, mocha, and lavender like florals. The palate is poised and powerful with weighty red fruits strung against the finger-like tannins and racy acidity.</p>	<p><b>SHIRAZ 2019</b></p> <p>Estate grown 100% Shiraz 13.8 % Alc/Vol.</p>	<p>Fantastic violet hue; exquisite in the glass. Seriously well perfumed as the blueberries, blackcurrants and black plums harmonise with pepper and freshly ground herbs. The palate is juicy yet drying and prompts questioning of food or age - dependent on patience.</p>
